

Leave a gift in your Will and make a difference

CW+ is the charity of Chelsea and Westminster Hospital NHS Foundation Trust including its hospitals and clinics.

Having a Will not only ensures that your family, friends and loved ones will be taken care of, but it also provides an opportunity to make a difference to future generations by remembering the causes that are closest to your heart.

Remembering CW+ in your Will can help us continue to provide excellent care and facilities to those in need at our hospitals.

We know that a Will is a deeply personal and private document, so if you are considering remembering CW+ in this special way, then thank you.

Your gift, no matter the size, will ensure that our patients in the future:

- Benefit from the latest health innovations and technology
- Are treated in first-class facilities
- Benefit from a healing environment through our award-winning art and design programme

Even a small gift in your Will can have a big impact. Just 1% of your estate could help reduce anxiety, pain and stress and help aid recovery rates for patients. Patients like Heidi, who is able to escape her treatment to enjoy the latest films with her family for free, in our CW+ MediCinema.

Your generosity, whatever the size of the gift, will make a real difference

£100

could fund toys, books and entertainment for patients and siblings in our children's wards play rooms

£1,000

could help send two children who have experienced burns to our summer activity camp

£10,000

could fund two portable ventilation machines, which can be used to support patients' breathing, increasing airflow to lungs

£50,000

could fund a Giraffe OmniBed Incubator for critically ill babies in our Neonatal Intensive Care Unit

£100,000

could fund innovative programmes such as our new fast-track service for cancer patients

Thanks to the gift Madge Gill left in her Will, we are delivering live music and dance sessions to patients like Sally as part of our Care of Older People Programme.

It's easy to support future patients of your hospital in your Will.

If you already know what sort of gift you want to leave, simply ensure your solicitor or professional Will writer has our full name, registered charity number and address (shown below), together with the details of the gift, and they will do the rest.

Thank you for supporting our patients

Madge Gill kindly left a gift to CW+ in her Will. Her brother, Stanley, says

“ I am really proud that Madge remembered CW+ in her Will. Having worked in the healthcare environment for so many years, she witnessed the great care that was provided to patients and understood how her gift would make a real difference.”
