

CW+ Patient Environment grant application

Summary

CW+ offers a grants programme that funds projects helping Chelsea and Westminster Hospital NHS Foundation Trust staff deliver better patient experience and care. Our Patient Environment programme aims to transform the hospital experience and environment for patients, their families and the staff who care for them.

Funding scope

We will consider applications where the entirety of the cost is **under £10,000**.

Patient environment projects can include:

- Furniture for treatment, consulting or waiting areas
- Music and sound
- Artwork and colour
- Ceiling tiles and lightboxes
- Bespoke patient information boards
- Screens for digital artwork (RELAX digital)

We do not fund:

- Staff areas
- TV's

Am I eligible?

Applications are open to all staff across all hospital sites. There may be some restrictions to PFI areas at West Middlesex University Hospital.

How to apply

Complete the form below and please email the completed form to grants@cwplus.org.uk. Please ensure you have endorsement from the Estates department before submitting your application.

Applications will be assessed monthly by CW+.
